**STAGE:** Feasibility

**STATUS:** A formal request to initiate a Section 107 study was submitted to the Detroit District by the Saugatuck-Douglas (MI) Chamber of Commerce on 22 Oct 2003. Funding to initiate the study was requested on 22 December 2003 but has yet to be received. FY05 funding could be used to initiate the feasibility study to determine if indeed Federal interest in the identified harbor improvements is warranted and justified. The potential non-Federal Sponsor (NFS) has verbally been requested to provide the Corps with a more detailed project scope, such that specific needs can appropriately be addressed.
